AIG HOSPITALS - BACHIBOWLI

AIG Hospitals, Bachibowli, stands as the flagship facility of the AIG healthcare network and is one of India's largest private multispecialty hospitals. With a team of over 400 consultants across 40+ specialties, including 8 Centres of Excellence representing Gastrosciences, Cardiac Sciences, Cancer Care, Neurosciences, Organ Transplant, Renal Sciences, Respiratory Medicine, and Orthopedics/Sports Medicine. The hospital is a hub for advanced clinical care, cutting-edge research, and academic excellence. AIG Bachibowli continues to redefine standards in healthcare delivery with its NextGen infra comprising of advanced robotics, cutting edge diagnostic & therapeutic modalities.

AIG HOSPITALS - BANJARA HILLS

Located in the heart of Hyderabad, AIG Hospitals, Banjara Hills is the newest addition to the AIG family, built to extend the brand's legacy of trust, innovation, and patient-first care. This new branch seamlessly blends modern infrastructure with AIG's hallmark expertise, making world-class multi-specialty care more accessible to residents of twin cities of Hyderabad & Secunderabad. From patient experience to clinical quality, every element of AIG Banjara reflects the same commitment that has made AIG a name synonymous with excellence.

ASIAN INSTITUTE OF GASTROENTEROLOGY - SOMAJIGUDA

Established in 1994, the Asian Institute of Gastroenterology, Somajiguda was India's first dedicated center for Gastroenterology and the cornerstone of AIG's inspiring journey. This iconic institution laid the foundation for AIG's global recognition in digestive sciences by becoming the first and only institute in India to be recognized by WEO (World Endoscopy Organization) as a Centre of Excellence. It remains a trusted destination for thousands of patients seeking expert gastrointestinal care with a legacy built on innovation, compassion, and clinical leadership.
