ABOUT DARE

DARE is an integrated forum of Medical Professionals representing the entire system of health care which aims to redefine health care and restore professional dignity. DARE aims to become an imperative force in bringing value based changes in Health Ecosystem.

WHAT YOU WILL LEARN?

An elite multidisciplinary scientific conclave uniting eminent academicians, distinguished faculty, renowned specialists, and leading clinicians to deliberate upon the latest advances, evidence-based practices, and evolving therapeutic innovations in the field of Allergy & Clinical Immunology. This prestigious academic platform has been thoughtfully designed to foster collaborative learning, strengthen interdisciplinary dialogue, and promote clinical excellence in the prevention, diagnosis, and comprehensive management of allergic diseases across all age groups

WHO CAN PARTICIPATE?

The conference will be an excellent platform for all Postgraduates, Junior Consultants, Faculty members and all doctors who are interested in knowing about the basics of ultrasound and its application in emergencies.
