

In collaboration with Indian Society of Organ Transplantation

In association with CIDS –Transplant ID Subcommittee

10th CONFERENCE IN TRANSPLANT INFECTIOUS DISEASES

October 11th - BMT track (Bone marrow transplant)

at Apollo Institute of Medical Sciences and Research

Welcome Message

Dear Friends,

Welcome to the 10th Conference in Transplant Infectious Diseases

Greetings from the Organizing Committee!

It is our great pleasure and privilege to welcome you to the 10th Conference in Transplant Infectious Diseases (TID 2026), being held in Hyderabad as part of ISOT 2026.

This landmark edition brings dedicated scientific track on:

11th October 2026 - BMT Track – Bone Marrow Transplantation

at Apollo Institute of Medical Sciences and Research, Lecture hall 2 - Hyderabad

The conference brings together leading experts, emerging leaders, healthcare Professionals, researchers, and industry partners from across the field of transplant infectious diseases and transplantation. Through engaging scientific sessions, interactive discussions, and exchange of knowledge and experience, we aim to explore emerging challenges, advances, and innovations that continue to shape transplant care.

We are committed to creating an intellectually stimulating and enriching experience, while providing an opportunity to connect, collaborate, and build lasting professional relationships.

We warmly welcome you to Hyderabad and look forward to your active participation in making the 10th Conference in Transplant Infectious Diseases a memorable and successful meeting.

We look forward to welcoming you in October 2026!

With warm regards

Dr. Subramanian Swaminathan
President - CIDS

Dr. Priscilla Rupali
Chair TID Sub Committee

Dr. Suneetha Narreddy
Organising Chairman
