# // ABOUT GOVERNMENT MEDICAL COLLEGE, SANGAREDDY //

**Established in 2021**, Government Medical College, Sangareddy is one of the premier medical institutions established by the Government of Telangana under the visionary initiative to establish a medical college and teaching hospital in every district, thereby strengthening tertiary healthcare services across the state. The institution is affiliated with **Kaloji Narayana Rao University of Health Sciences (KNRUHS), Warangal**.

Situated in the heart of Sangareddy town, the college boasts a modern campus with state-of-the-art infrastructure, dedicated faculty, and a comprehensive teaching hospital. The institution is committed to excellence in medical education, patient care, research, and community service while nurturing competent, compassionate, and ethical healthcare professionals.

## MAJOR ATTRACTIONS IN SANGAREDDY

1

**Fruit Research Station,  
Sangareddy**

A premier horticultural research center known for its innovations in fruit cultivation and development.

2

**Sri Venkateswara Swami  
Temple, Vaikuntapuram,  
Sangareddy**

A revered temple dedicated to Lord Venkateswara Swami, known for its spiritual significance and serenity.

3

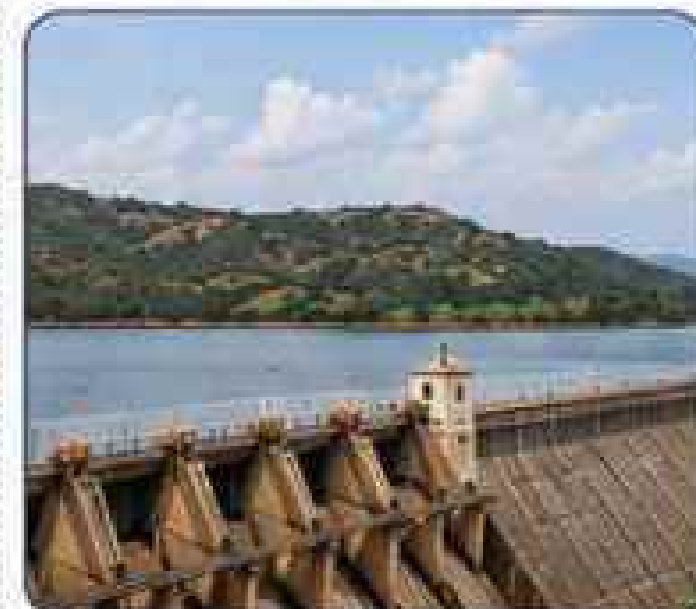

**Majeera Wild Life  
Sanctuary, Sangareddy**

A serene wildlife sanctuary home to diverse flora and fauna, perfect for nature lovers and bird watchers.

4

**Majeera Reservoir &  
Dam, Sangareddy**

A scenic reservoir and dam offering breathtaking views and a peaceful retreat.
