Chairman's foreword

Deeply inspired by the rich cultural heritage and enduring human values of our nation, RVM Institute of Medical Sciences & Research Centre (RVMIMS & RC) was established under the aegis of the RVM Charitable Trust with a commitment to excellence and transparency in administration.

Nestled in a serene, lush green campus, the institution provides an ideal environment for learning, research, and professional growth. Equipped with modern infrastructure and comprehensive facilities, the college is dedicated to fostering the holistic development of its students and preparing them to excel in the field of medical sciences.

At RVMIMS & RC, we strongly uphold the principles of equality, inclusivity, and mutual respect, promoting a culture that transcends barriers of race, caste, and community. The institute also encourages self-directed learning by providing students with the resources and opportunities necessary to achieve their full potential.

As the Organizing Chairman, I am committed to ensuring that this event offers the highest standards of scientific learning, academic exchange, and professional enrichment. I am confident that it will provide all participants with an enriching and memorable experience while reflecting the values of innovation, collaboration, and excellence that our institution proudly represents.

With Warm Regards,
Dr. R. YAKAIAH, MBBS, MS, MCh(UROLOGY)
