21st August 2026

08:00 AM to 05:30 PM

CME Lecture Gallery, 3rd floor, A block, Malla Reddy Hospital

ABOUT MALLA REDDY INSTITUTE OF MEDICAL SCIENCES

Malla Reddy Institute of Medical Sciences, under the aegis of Malla Reddy Vishwavidyapeeth, is a distinguished centre of excellence in medical education, research, and healthcare. The institution is committed to fostering academic rigor, innovation, and ethical clinical practice through a robust curriculum and state-of-the-art infrastructure. With a strong emphasis on holistic development and multidisciplinary collaboration, it prepares healthcare professionals to meet contemporary challenges with competence and compassion. Together they contribute significantly to advancing medical science and improving community health outcomes.

Dear Colleagues,

We are pleased to invite you to the CPD on "Little Steps, Big Challenges:

Addressing Developmental & Behavioural Issues in Children "organized by department of Paediatrics, MRIMS, MRV.

This CPD will enhance your clinical expertise in Developmental & Behavioural Paediatrics, strengthen early diagnosis and intervention skills to improve lifelong outcomes in children. Join us in this CPD to translate knowledge into impactful clinical practice.

CPD Objectives:

- This CPD aims to enhance clinicians' ability to identify early developmental delays & behavioural concerns in children using systematic assessment methods. It focuses on strengthening skills in the application of standardized screening tools & accurate diagnosis.
- The program also emphasizes effective parental counselling & evidence-based management strategies. Additionally, it highlights the importance of timely referral and multidisciplinary approach to improve long-term developmental and psychosocial outcomes.
