Department of Pediatrics, MRMCW

29th & 30th July 2026 – IAP ADVANCED LIFE SUPPORT (PEDIATRIC)

Venue: Skill Lab, 5th Floor, Malla Reddy Medical College for Women.

Workshop Information

Malla Reddy Medical College for Women has been at the forefront of scientific advances, both in updating the existing faculty skills and conducting research for furthering newer horizons of clinical best practices.

The Department of Pediatrics is conducting a Three -days provider course Basic and advance Life Support for Pediatricians, emergency room doctors and intensive care professionals on 29th and 30th July 2026. This would be a hands-on, simulator-based, clinical scenario-associated learning. The trainers are national experts in their respective fields and the training itself is based on the Indian Academy of Pediatrics guidelines.

Those interested in participating in this workshop are requested to contact the undersigned urgently as registration is restricted to only 40 delegates on a first-come, first-served basis. We warmly welcome you all to attend the workshop and make it a success.
