ANAESTHESIA RESIDENTS GOAL-ORIENTED EXAMINATION TRAINING PROGRAM 2026

For Postgraduates in Anaesthesiology (MD/DNB)

Comprehensive, competency-based Anaesthesia examination preparation designed for postgraduate residents.

-  Faculty-led interactive learning sessions
-  Structured OSCE practice
-  One-to-one table viva and case-based discussions
-  Clinical scenario simulations with expert feedback
-  Personalized mentoring for examination success
-  Mock assessments replicating university examination standards
-  Examination strategies and answer presentation techniques
-  Limited seats for focused learning

Designed by experienced faculty and examiners
Focused training. Better preparation. Successful outcomes.
